Dear Parent/Carer

Re: School Ofsted Inspection held November 10th/11th 2010

I am happy to provide you with a summary of our Ofsted Improvement Plan. Below is a brief summary of the contents. If you would like to attend a meeting to discuss all or part of it please return the reply slip below. The complete plan is available on our website: www.earlsheatontc.org.uk - click on 'About us' select 'Ofsted' and scroll down to find the document 'Earlsheaton TC School Improvement Plan'.

We have three areas for development:-

1. Literacy

This is now recognised as a national issue. Reading, writing and speaking/listening are foundations for learning and future success. We will develop all of these foundations in a more focused and robust manner in the future.

2. Teaching/Learning

We are developing lesson plans that respond to the move back to active learning and we are developing lesson plans that reflect the need to:-

- a. Identify individual needs
- b. Focus on literacy issues
- c. involve children in independent learning
- d. Provide a variety of feedback to pupils that will focus more directly on further improvement.

3. Tracking

We will refine our system so that pupils know exactly where they are in terms of levels of achievement and what they need to do to improve further.

If you would like to attend a meeting in school to discuss any issues regarding this summary please indicate on the reply slip below and return it to the reception office by Thursday 3rd February 2011.

Yours sincerely

Paul Levey M.A.
 Headteacher
